Pinecraft Equestrian SMP

SMP (Survival World)

The SMP server is the heart of the Pinecraft Equestrian experience.

This is where you will:

- create your first horse
- build your home and claim your land
- train, feed, and care for your horses
- enter scheduled races
- breed new foals
- grow your stable over time

Whether you want to play casually, become a successful breeder, or compete on the track, the SMP is where your equestrian journey truly begins.
