Navigating the Lobby

When you first join the server, you will arrive in the Lobby.

The Lobby acts as the central hub for the entire Pinecraft Equestrian network.

From here, you can:

- access the SMP server on the right (*free with NO MODS*)
- access the RRP server in the middle (*must purchase a subscription and download swem mods!*)
- access minigames on the left

Take a moment to look around and get familiar with the layout before continuing your journey.
